**Please Note:**

1. For some chapters selected portions will be covered as a part of the course material.
2. If a student misses a lecture for any reason, it is student's responsibility to obtain class lecture notes and other relevant material.
3. There will be five in-class quizzes, with dates listed in the table above. Each quiz will be held during the last 30 minutes of the lecture. Only your top four scores will be counted, giving you one free pass. A missed quiz will automatically be considered your free pass.
4. There will be no make-up midterms.
5. If a midterm exam is missed, given proper documentation, 50% of the missed midterm weight will be transferred to the other midterm and the remaining 50% of the weight will be allocated to the final exam. Students must write at least one midterm exam.
6. Quizzes, midterms, and the final exam are strictly individual assessments and will be closed book.
7. Quizzes, midterms, and the final exam will feature a mix of question types, including short answer, analytical problems, numerical calculations, mathematical derivations, true/false, multiple choice, and fill-in-the-blank.
8. Your grades on quizzes and midterms will be posted on Moodle. Please immediately report to the instructor any discrepancy between the posted and actual grades.
9. Only the Registrar's Office can issue final grades. Hence, marks for the final exam will not be posted on Moodle.
10. You are encouraged to contact course instructor or course TA for any questions on the course material and outlines, evaluation scheme, and the final exam.

## RISE Modules

**The First-Year RISE Program (FY RISE)** is designed to help you develop practical study and learning skills for success at UNBC.

In **ECON 101**, you must complete the three required RISE modules below. Completing these modules is a requirement to remain eligible to write the course quizzes and exams, including the midterm and final exam.

**Bonus opportunity:** You can also complete two bonus modules to earn 2.5% extra credit per module, for a maximum of 5% bonus in the course.

### **Required Modules**

- Time Management
- Academic Reading
- Effective Studying

### **Bonus Modules**

- Academic Habits of Mind
- Generative AI in University

### **Deadlines**

| Type     | Opens             | Deadline           | Credit                         |
|----------|-------------------|--------------------|--------------------------------|

**Already completed a required module?** You do not need to complete it again. Simply email your RISE badge number to [karimzada@unbc.ca](mailto:karimzada@unbc.ca) to receive credit.

**Questions about RISE?** Contact [fy.rise@unbc.ca](mailto:fy.rise@unbc.ca).

### **Artificial Intelligence (AI)**

Use of generative AI is NOT allowed in this course, unless specifically authorized by the instructor. Please consult with the instructor if any clarification is needed. General guidance on the acceptability of using generative AI at UNBC can be found [here](#).

### **Plagiarism**

Plagiarism is a misrepresentation of information that can result in a misattribution of credit, up to and including representing someone else's work as your own. When you incorporate the words, ideas, graphics, or other products from someone else's work into your projects, you must give credit by providing a citation and reference to the source work.

It is your responsibility to:

1. Familiarize yourself with and understand the information on [plagiarism](#) provided by the Academic Success Centre,
2. And the UNBC policy on Student Conduct, plagiarism and other academic offenses, as described in the UNBC Undergraduate calendar.
