

Introductory Macroeconomics – Group Activity Worksheet “Is the Economy Doing Well?”

1. What signs would you look at to judge how the economy is doing? (Write 3–5 indicators)

2. What economic problems do you think the country is facing today?

3. Choose ONE problem and describe who should address it and how. Include one trade-off.

Problem: _____

Solution: _____

Trade-off: _____

4. Your group will share one item: Circle: Indicator / Problem / Solution + Trade-off
